Route Change #6
Trail 5

The current western terminus of SW Trail #5 is a dead end at a privately owned driveway with no outlet. Since the adoption of the Urban Trails Plan in 2000, BES has acquired the key link from SW 64th Dr to make it possible to get to Metzger Park. City of Tigard has proposed establishing a regional trail that would connect Washington Square to Metzger Park. The current route is useless, confusing to pedestrians, and inconvenient for the landowners. The recommended route crosses a parcel of publicly-owned

SWT recommends identifying this as "Trail 5 N"
